Terry Estes Speaks at Counselors' Expo

Terry Estes, J&B Steel Erectors, Inc. provided the keynote address to thirty high school counselors at the 2013 Breakfast & Expo. This event, hosted by the Miami Valley Building Trades Apprenticeship Group and coordinated by AGC staff, is held annually to ensure educators are aware of career opportunities in construction.

Mr. Estes shared his career journey as an Ironworker in Kansas City to his success as a businessman celebrating 29 years with J&B Steel, in Southern Ohio. Terry's story was delivered with passion, as his love for the Construction Industry was evident.

AGC West Central Ohio Division Awards a \$1,000 Scholarship to Derek Goettemoeller

Congratulations to Derek Goettemoeller who received a \$1,000 scholarship award from the AGC, West Central Ohio Division.

In August, Derek will begin his senior year in Construction Systems Management at the Ohio State University. After graduation, he will pursue his career bringing to the Industry his belief that good business ethics, effective communication skills, and persistence will allow him to make a positive impact.
